## Chapel Offerings

Teaching our children to be generous at a young age is essential to their development as caring Christian individuals. CLS sponsors Javier, a 4 year old child living in Puerta Abajo, Guatamala through Children's Hopechest using weekly chapel offerings. Students are encouraged to contribute coins from allowances or their piggy bank more so than bills from parents. Envelopes are put in each student's cubby/mailbox on Tuesdays each week to use for Wednesday chapel.
