## Christmas Program DEC 20TH 6:30 PM

Our Christmas program will be featuring artwork from our 3K—8th Grade students. Our 4K student Evie Jacobs created this featured nativity picture. We are excited to share **all** of our artist's work with you.

Following the program, please stay to walk around and view all the student's displayed artwork, enjoy cookies, and socialize.

At the end of the night, please pick up your child's art work to be taken home!

If your child takes music lessons outside of Celebration and would like to perform a piece prior to the Christmas program on December 21st, please let Renee know the name of student, title of the song, and instrument by Monday, Dec. 17th.

Train a child in the way he should go, and when he is old he will not turn from it." Proverbs 22:6
