

Celebration Tuition Scholarship Fund

*Leaving a legacy
for the next generation*

The Celebration Lutheran School Tuition Scholarship Fund was established to financially assist families choosing to send their children to Celebration Lutheran School. Each year this fund is distributed to assist qualifying families.

So, what can I do to help?

There are a number of ways you can make a contribution to our Celebration Tuition Scholarship Fund. You can make an outright cash gift. Or honor a friend or relative on a special occasion. Or give a gift in memory of someone.

You can also plan for a future gift through your will, trust, insurance, or investment vehicles. Making a future gift can be as simple as updating your beneficiary designations on insurance policies, retirement accounts or bank accounts, and sometimes there are tax advantages to doing this, as well. Your financial planner, investment advisor, accountant or attorney can be helpful partners to you in your planning.

How is the Tuition Scholarship Fund organized?

Money donated to the Tuition Scholarship Fund will be used to directly assist families during the school year. The best part is this fund helps provide young struggling families a way to give their children a Christian education when they are not able to.

What are my next steps?

Want to explore how you can be involved in helping secure the future of Celebration Lutheran School for the next generations? Pray about it and if so moved then donate to the Celebration Tuition Scholarship Fund. To donate or ask questions please contact us at 920-734-8218.

Why is a Christian education so important?

That's the description of what happens every day at Celebration Lutheran School. Your children will learn the power and the wonder of the Triune God. They'll learn the value of prayer and Bible study. They'll share their faith, worship God, and serve others.

"We chose CLS so our kids could go to school where not only is it acceptable to talk about Jesus and faith, but it's encouraged and is a part of every single day."

"We wanted a school that was not only academically excellent, but also provided us with a Christian and diverse family atmosphere. CLS is our family!"

Give students the opportunity to walk with God everyday!
