Gala Success!

This year's Celebrate! Gala has rung in with triumphant results! Through your generosity, the event raised over \$40,000 for the school!

Do you know what this means? It means our students get new curriculums, we can work on updating technology, our teachers can add to the materials they need in the classroom, and we can continue to be a community who aides those in need of a Christian School to call home.

We hope this news further instills your pride in Celebration, because it certainly has for us! Thank you for all you do!
