Picture Re-take Day

Picture re-take day is
Nov. 14th

****Parents...If you want your child's picture retaken, please return their original package of pictures****

Thrivent Members

Are you a Thrivent member? You can organize a Thrivent Action Team to help CLS! Action Teams are small groups (including at least one Thrivent member) organized for service projects or fundraisers. Thrivent provides a \$250 debit card as seed money for supplies and other project needs. Plus, you get a FREE t-shirt. Learn more at thrivent.com or contact Mrs. Pickering for ideas on how your Action Team can help support our school ministry.

Asbestos

Under AHERA (Asbestos Hazard Emergency Response Act), all primary and secondary schools are required to develop and implement a plan for managing all building materials which contain asbestos. Included in the AHERA Act is the requirement to annually notify all workers and building occupants (or their guardians) of asbestos-related activities.

The entire Celebration Campus was inspected by EPA accredited inspectors, with building material samples analyzed by an independent laboratory. Based on the inspection, CLS has prepared and the state approved a comprehensive management plan for managing the asbestos. A copy of this plan is in Mrs. Pickering's office if you would like to review it.

"...let us throw off everything that hinders...and let us run with perseverance the race marked out for us." Hebrews 12:1

CLS Family Prayers

Dear Lord, open my mind & fill me with your wisdom. Lord, take out all my sin & fill me with your love. Lord, open my eyes to see your glory. Lord, let me speak words of love & truth. Lord, fill me with your light for all to see. Amen

Include in your prayers this week:

Chopra Family (Henry 3th, Alex 6th)

Reminder

Parents, if your child/children should have an appointment during school hours, please bring back documentation from that appointment.

Just a reminder...

Important

Parents, please remember to sign out your children if you have to remove them from school during normal school hours. The sign-out sheet is at the Welcome Window. If you bring your children back to school or if they are late arriving for the day, they must also be signed in on this same sheet. This is a state attendance requirement.

Chapel Offerings

November & December chapel offerings will be designated to helping those in need in our community during the Christmas season. More information to follow at a later date.

Artsonia

Watch your email! Mrs. Behm has begun posting your child's artwork to ArtSonia.

Artsonia is a free, safe, educational program designed to connect parents and families with their child's creative activities at school. As we approach the holiday season...remember that you may purchase high quality custom keepsakes with your child's art. And, as an added bonus...the CLS art program receives 20% of your purchase towards art materials and other supplies. Any questions about Artsonia, please contact Mrs. Behm

Science Fair

The science fair this year will be held on January 31, 2020. All students from kindergarten through 3rd grade are eligible to enter a project. Students in grades 4-8 have begun working with Mrs. Reinders on their projects on Monday, November 4. If you have not already picked a topic at this point there are many internet sites that have lots of ideas for projects:

<http://www.education.com/science-fair/elementary-school/>

http://www.sciencebuddies.org/science-fair-projects/project_ideas.shtml

If you have any questions about project ideas, please contact Barbara Reinders (Middle School Teacher)
