11:45
 - Oct 1 Picture Day

Chapel Offerings

August/September chapel offerings will be going towards Loaves & Fishes of the Fox Valley, Inc.

LOAVES & FISHES of the Fox Valley, Inc. is non profit organization that provides free nutritious meals to anyone in need, in a safe and welcoming environment.

If you like to find out more information, copy & paste the link: <http://loavesandfishesfv.org/>

Birthday Treats

If your child would like to bring in a birthday treat, it just needs to be store bought & individually packaged. It could even be from some place like Manderfield's. If you call ahead they can usually package them separately.

Chrome books/Laptops

BYOD means Bring Your Own Device. It is a possibility here at CLS.

If your child has a laptop/chrome book of their own that they would be able to use, we at CLS would be very grateful.

CLS would like to make chrome books available to all of our kindergarten to 8th grade students. We had everything in place, but our plans went slightly awry. Some older chrome books stopped working and purchasing new ones became very difficult due to rising costs (which nearly doubled since spring) and the disruptions to the distribution chain.

If just a few students in our school had devices from home, then CLS would be able to supply all of our kindergarten through 8th grade students a device for use here at school and at home if necessary.

We believe that this is just a temporary situation that should be resolved as soon as the market settles down and prices and distribution return to a more normal level.

Any questions, please contact Mrs. Pickering

Parent Volunteers

While we would love to have your help in the classrooms, we will be holding off with volunteers until further notice.

CLS Family Prayers

Lord, we are grateful for your blessings. When we look at others, may we see your face. Keep our hearts full of peace and love. Amen.

Include in your prayers this week:

The Acord Family (Lily, grade 4)

Staff:

Mrs. Reinders Family, Middle School

White Masks

Each student was given a bag of 3 white masks. Those can be washed up to 20 times. If your child(ren) forgets their mask at home, we do have extras in the office for them to wear during the mask mandate.

Stay Home vs Go to School

We say two things. If your child has a temperature, diarrhea, or shortness of breath...stay home. If your child has cold like symptoms AND are not able to follow along with class and participate throughout the day...stay home. Parents, you

know your children best and their Dr. will let you know if they are concerned or if they need to be tested.

Once they are symptom free to A FULL 24 hours without medication then they can return to school. This means if they had a fever at 11am they cannot return the following day.

Lunch Supplies

When sending in lunch for your child, please remember to send any necessary eating utensils as well. We do have a very limited supply of plastic utensils on hand in case you forget.

CPR Training

CPR

Our Middle School class had the opportunity to learn CPR last week. Thanks to Dr. Kerry Ahrens for leading this training.

In-House Walk-a-thon

We are planning to hold our own walk-a-thon on Sept 18th Pep rally starts in the gym at 2pm with the walk starting at 2:30pm. All children 4K-8th grade will participate.

In House Middle School Field Trip

On Thursday, Sept 3 the middle school will be holding Team Building in the afternoon. Make sure to ask your student how Hula Hoops, Tarps & Cones fit into this lesson.
