### Masks

We're certain you know, but we are just sending a reminder: Your child's mask should be washed after one day's use. Otherwise, it becomes too loaded

with germs as well as other "biologicals". Not cleaning the masks is even causing skin rashes, itching, and other side effects. If a mask becomes dirty during the day, we have extras available in the office.

### Note from the Office

If you owe money for BASC, milk, field trips, you can go to the website [www.celebrationlutheran.net](http://www.celebrationlutheran.net). At the bottom of the page is a link "Add Money to My Account". You can use that link to make your payments. Of course, you are also welcome to get a check to the office as well. The office cannot just take the

**? DID YOU KNOW ?**

money from the same account that you have set up for your recurring tuition payments without extra paperwork.

### Before & After School Care

Trish leaves by 1 p.m. daily. If you need to sign up your child for BASC, you can speak with Laura if Trish isn't available. We also understand emergencies do come up for after school care.

### Thank You

A huge Thank you to those who have donated items for our school store. It is very much appreciated. We do accept new and or "gently" used donated items at any time.

### School Store

We have another school store day coming up on Friday, October 23<sup>rd</sup>. Your student has the opportunity to earn points every day in class to spend at the school store. For example, in 4<sup>th</sup> and 5<sup>th</sup> grade, each student starts with 5 points every day. They can lose points or gain points depending on their attitude and actions. Each classroom handles points in their own way, but every student has at least some points to spend at the store. Store items include small stuffed animals, Hot Wheels, balls, games, puzzles, pens/pencils, fidget toys, candy – anything you can think of that students from 4K to 8<sup>th</sup> grade would enjoy. Some students spend their points every time the school store is open. Others save up their points for one of the larger items. If you would like to make a donation, get it to the office and we will direct it to Mrs. Kolosso.

## Traveling out of State

Regarding out of state travel: if there is a travel restriction from state of Wisconsin or a restriction from your destination state, students should be tested or quarantined upon returning to school. Or if they have symptoms, use the same protocol of staying home, testing if desired, and quarantining if exposed.

## Word of the Week

We are going to start this up again, like last year, I will put the word of the week in the Scoop. You email Trish back with that word & your name will go in a monthly drawing. Drawing will take place on Nov 4th  
This weeks word is: **Fall**

## Birthday Treats

If your child would like to bring in a birthday treat, it just needs to be store bought & individually packaged. It could even be from some place like Manderfield's. If you call ahead they can usually package them separately.
