Important Health Reminders

**★ VERY ★
IMPORTANT**

Per our Response Plan, if any person in the household is running a fever above 100.4, displaying COVID-19 symptoms, or being tested for COVID, students must remain home and the school needs to be contacted. As each case is different, Mrs. Pickering will advise parents on how their individual circumstances should be handled with respect to CLS. When in doubt, stay home.

Word of the Week

Word
of the
Week

We will go through Dec 9th for the "word of the week" with the winner being announced on Dec. 16th. This week's word is: Stuffing

Our gift for Dec 16th will be: Corn Cob Poppers.

Amazon Smiles

We are happy to report that we received almost \$100 this last quarter from Amazon Smile. If you list us as your preferred charity a percent of your purchase is given to us. There are other ways to also support us that cost you nothing other than a few minutes of your time to sign up. See those items on our website at: <https://www.celebrationlutheran.net/support-cls/>

Free Meal Program

Take advantage of school meals

We need your help to ensure we can sustain our program!

FREE FOR ALL CHILDREN 18 AND UNDER, REGARDLESS OF INCOME

5 DAYS WORTH OF MEALS AVAILABLE FOR PICKUP AT HIGH SCHOOL LOCATIONS, NO PRE-ORDER REQUIRED

PARTICIPATION HELPS POSITIVELY IMPACT THE LOCAL ECONOMY

SUPPLEMENT YOUR WEEKLY BUDGET

Times have been tight for many of us these past months. Who couldn't use a little help during the holiday season. AASD is offering a free meal program for children under the age of 18. This is a completely free program. This is a very easy process. You pull up in your vehicle and they ask how many students you have (no ID or other info necessary). They put the meals directly into your trunk. You will receive 5 breakfasts and 5 lunches per student. Foods for last week included: fresh fruit, breakfast sandwiches, chicken nuggets, cheeseburgers, mac-n-cheese, milk & juice. For pick up locations, dates & time, check out the link below for more information.

Toys for Tots

Celebration Lutheran School Student Council is doing Toys for Tots. Because of Covid-19, we are currently not having adults coming into the building, but you still can give toys. You just need to give them to your children, and they will put the toys in the boxes. Please do not wrap the toys. We will accept any type of new toys. The campaign kicks off Nov 9th and the final day to donate at CLS is Dec 8th.

Thank You

Thank you to Jen Houtz & Erin Kraft for providing the delicious meal for our teachers/staff last week on our early release day!!

Reminder

Parents should not be entering the building unless approved by a staff member. Because we are still at level red, parents/visitors are only allowed in the building for emergency purposes.
