## Tax Documents

Tax documents will be going home today with your child. Please make sure you look for them in their backpacks. Any questions regarding them, please contact Mrs. Ambroso.

## Attendance/Illness

Cold season is upon us, remember to follow the guidelines when you're determining to send your child to school vs. stay home. If your child has a temperature, diarrhea, or shortness of breath...stay home. If your child has cold like symptoms (fever, cold symptoms, and/or cough) AND are not able to follow along with class and participate throughout the day...stay home.

## Dance

### Looking for an alternative for dance instruction?

Brighter Days Dance in Little Chute is a great studio that offers affordable lessons and costumes. Top quality dance instructors offer an array of dance styles and cheer. Classes focus on character development. Routines are choreographed to contemporary Christian music. Costumes and dance moves are modest and respectful.

Check them out on Facebook and at their website. If you would like to hear more about a CLS family's experience with this studio, contact Jen Houtz at #920-560-1807.

## Thank You from Toys for Tots

In a year of transition and adjustments, challenges and uncertainty, we had an amazing response between donation sites (both new and old) and toys collected for our 2020 Toys For Tots Campaign. Nearly 200 businesses and individuals collected 17,740 toys for 4,511 children in need! To my knowledge, this is a record number of caregivers reaching out for help. We could not have done it without you! Thank you for stepping up to ensure no child was left behind!

## Free Thrivent t-shirts

Who doesn't like a free t-shirt!! From the Thrivent Action Team, we have

accumulated many adult size t-shirts. Sizes available are: small, medium, large, XL & 2XL. If you're interested, please contact the office & we'll send it home with your child.

## Items Needed

The kids have been earning lots of points which means our school store supply items are getting low. Store items include small balls, games, puzzles,

pens/pencils, fidget toys, candy - anything you can think of that students from 4K to 8<sup>th</sup> grade would enjoy. If you would like to make a donation, get it to the office and we will direct it to Mrs. Kolosso. Thank you!

## CLS Toy Fair 2021

This Friday, January 29th is the 4th-8th grade Toy Fair!! We're so happy to announce that parents will be allowed to view projects in the gym at CLS from 3:00-3:30. There will be a one-way path for parents to follow as they look at the projects. We will maintain a 6 foot distance between people during this time. All adults must be masked while viewing projects. After viewing we ask that parents head back outside to wait for their child(ren) to exit the building at the end of the day.

## Free Meal Program

Families can pick up meals at any of the 3 high schools on Wednesdays from 3:30 p.m. - 5:30 p.m. When families drive up to the school for meal pick up, staff will ask if you are picking up for hybrid students (3 days of meals) or virtual students (5 days of meals) and how many students you have. There is no pre-order needed for this pick-up time.

## Student Spotlight

Given building access is limited, we wanted to share our weekly Student Spotlight with you!!

This week our "Student Spotlight" is Maddux Koehler
