### School Closing Information

CLS will close when severe weather strikes! In most cases, CLS will be closed if the Appleton Public Schools close for bad weather. School may also be cancelled due to the dangerous wind chill and temperatures. This may occur when the National Weather Service has a wind chill WARNING (wind chills 35 below or colder for more than one hour) However, we may be closed on days when the Appleton Public Schools chose to be open. To stay informed, you can check on Facebook

([www.facebook.com/celebrationlutheranschool](https://www.facebook.com/celebrationlutheranschool)), or watch the news on Channel 2 (WBAY), Channel 5 (WFRV), Channel 11 (WLUK) & Channel 26 (NBC 26) TV for announcements. School closing announcements occur typically between 6:30 and 8:00am and throughout the day when worsening conditions are expected.

**Note: on days when school is closed due to weather, before and after school care is not available. If school is delayed due to bad weather, there is no before school care.**

## Fundraiser

Did you know? Only about 1/2 of the CLS operating costs are covered by tuition. The rest is made up through generous donors and fundraisers. We are asking you to help us promote and sell the Charcuterie Boards to further our mission. If every family sells one board, we will meet our goal! If you are interested in helping more with fundraising events, please contact Jen Houtz at 920.560.1807.

Please watch for a flier coming home for the Charcuterie Board Fundraiser happening March 5.

## Masks

Parents, remember that cloth masks need to be washed often. Masks, when not properly disinfected, are carriers for bacteria, including E. coli, and viruses — norovirus and coronavirus.
