Daily Snacks

Parents, please send in a snack daily for your child. They are hungry by mid-morning and need this little bit of energy to get them through until lunch.

Did You Know...

We are getting more and more parents who pay their statements through our website, and that is great! Did you know that paying your statement from your checking account instead of using a credit card saves us money? When you use a credit card, we have to pay a 3% credit card fee plus a .45 transaction fee. If you pay \$200, we only receive \$193.55. This also means that if you pay \$1.00 to offset credit card fees, we only receive \$.52. We wanted to bring this to your attention. In our current economy, every dollar is important.

Free Thrivent t-shirts

We still have t-shirts available from the Thrivent Action Team!! We have many adult size t-shirts. Sizes available are: small, medium, large, XL & 2XL. We also have Youth-Large size as well. If you're interested, please contact the office & we'll send it home with your child.

School Closing Information

In most cases, CLS will be closed if the Appleton Public Schools close for bad weather, however we may be closed on days when the Appleton Public Schools choose to be open. School may also be cancelled due to the dangerous wind chill and temperatures. This can occur when the National Weather Service has a wind chill WARNING (wind chills 35 below or colder for more than one hour).

To stay informed, you can check on Facebook

(www.facebook.com/celebrationlutheralschool), or watch the news on Channel 2 (WBAY), Channel 5 (WFRV), Channel 11 (WLUK) & Channel 26 (NBC 26) TV for announcements. School closing announcements occur typically between 6:30 and 8:00am and throughout the day when worsening conditions are expected.

Note: on days when school is closed due to weather, before and after school care is not available. If school is delayed due to bad weather, there is no before school care.

Student Spotlight

Given building access is limited, we wanted to share our weekly Student Spotlight with you!!

This week our "Student Spotlight" is Caleb Houtz

Fundraiser

Did you know? Only about 1/2 of the CLS operating costs are covered by tuition. The rest is made up through generous donors and fundraisers. We are asking you to help us promote and sell the Charcuterie Boards to further our mission. If every family sells one board, we will meet our goal! If you are interested in helping more with fundraising events, please contact Jen Houtz at 920.560.1807.

A flier was sent home with your child on Monday for the Charcuterie Board Fundraiser happening March 5.

Ash Wednesday

Ash Wednesday is Feb 24. During Chapel the Pastor will offer imposition of ashes and we offer this to students either on their forehead or their hand. If you wish for your child not to receive the ashes, please let us know ASAP.

Masks

Parents, remember that cloth masks need to be washed often. Masks, when not properly disinfected, are carriers for bacteria, including E. coli, and viruses — norovirus and coronavirus.
