Celebrate! Gala

SAVE THE DATE: APRIL 30TH

The annual Gala is an eagerly anticipated event at CLS! It is a great evening for parents and supporters of CLS to relax and connect. There will be good food, a live auction, and a Miracle Moment fundraiser event.

Celebrate

Volunteers are meeting now to create a guest list and send out invitations. All current parents will be invited. Are there other friends and family you would like to invite? Are there business partners, neighbors, or church friends

you could invite? Think of people who support your kids' education, people who are active in the community and who encourage Christian education. **WE NEED YOUR HELP!** If you have someone you would like to send an invitation to, please give this information to Mrs. Ambroso in the office. If you would like to hand-deliver an invitation, you can also request one from Mrs. Ambroso.

Do you own your own business or have friends or family who do? Do you know a company that would like to be a corporate sponsor getting lots of advertisement related to the Gala? We would also appreciate having their contact information. We will reach out to them with information about sponsorship.

Support CLS

As a special offer for attending the fundraiser -- place your Easter order on Saturday and receive a coupon for \$5 off \$35 purchase or \$15 off \$75 purchase!

Extra Clothes

With the nicer weather approaching we have had a lot of instances where students needed a change of clothes. It is essential for them to have a spare set or two of everything including underwear and socks.

Please be sure to send along an extra set. Thank you!!

Job Opening

Looking for a responsible person to run our food service program for our 2021-22 school year. Approximately 3-5 hours per day. Duties include planning a varied lunch menu, putting together a shopping list, cooking, distributing food, and clean-up. Familiarity with safe food handling food preparation is necessary, as well as an understanding of basic nutritional guidelines (training could be made available).

Must be able to work independently. This is a start-up program, so the successful candidate will build this food program from the ground up. Please speak with Mrs. Pickering for more information.
