## Condolences

Pradeep was a loving and caring husband and father who always put his family and friends before himself. He was always there for others and could be counted on to be a reliable and trustworthy friend. He was also a brilliant man who always strived to achieve his goals and was able to accomplish great things, both in his career and personal life.

Pradeep was a Senior Vice-President with Coforge (NIIT Technologies) and had 30 years of experience in the Information Technology Industry. He was loved by his colleagues and clients and was known to be very caring, gentle, and humble towards those working with him. He won many awards and recognitions in respect to his great work ethic and industrious nature.

Pradeep will be dearly missed by his family and everyone whom he had an effect on. May Pradeep's soul rest in eternal peace and please continue to uphold the family in your prayers.

Death can be difficult for us to understand, especially when it is unexpected. Many of us, including our children, may be confronted with a variety of emotions, which may include shock, sadness, and confusion. I want

to encourage students having a difficult time processing this tragedy to talk with their Pastor or we can setup time for them to speak with one of our Faith Pastors.

## Lunch Help

We were thrilled to find the perfect person to serve lunch to our students during this school year. We were dismayed when she damaged her shoulder the day before school began. We are still looking for 1 volunteer on Thursday. It goes much more smoothly with a 2 person

crew. In the best case scenario this will last until the beginning of January. In the worst case, it will last until mid-March. If you can help at all, please contact Laura.
