Open School Board Meeting

Do you have questions or concerns about CLS? Or do you just want to sit in on the board meeting to hear what is all discussed? The next meeting is tomorrow evening, Oct. 14th at 6:00pm here at CLS. If you would like to attend, please reach out to Mrs. Pickering.

Making Payments

When making payments through the website, use any of the 3 links at the bottom of the home page. This will direct you to Vanco. Create a profile and make your payment. It doesn't really matter if you choose Tuition or BASC & Hot Lunch. Any payments made to these two options will be put onto your account in the same way. There is no way to link your statement to Vanco, so it does not automatically populate how much you owe. Feel free to contact Mrs. Ambroso for your balance at any time.

Students Attending Worship

As a Christian School, our learning extends beyond Monday through Friday classes. Teaching students about math, science, etc, is important, but so is sharing faith.

Scripture reminds us to not neglect to meet together so we can encourage one another. Faith and Celebration Lutheran Churches have a variety of ways to worship each weekend as do many other churches.

Worshipping with your children shows them that it is important to you. In these times of questioning everything, help your children to learn that the answers are found in faith.

Donations

With the mail taking longer than expected to get delivered lately, we are accepting all Walk-a-thon donations through the end of October.
