### Lunch Program

We are still trying to get together a lunch program starting in January. We are looking for someone willing to work with Laura as a short-term paid position (maybe through the end of March). You do not have to be the parent or grandparent of a student. You just have to be comfortable with helping to plan and procure easy menus. The office will continue to take orders.

Some of our IDEAS -

Pizza Friday with pizza coming from a variety of sources. This can be served with a salad and a fruit.

Soup with subs from Subway cut into 3" pieces

Hot dogs/hamburgers/chicken nuggets

Bulk food from Costco (they have things like trays of lasagna, half gallons of soup, etc)

You would need to be willing to pick up these items and do the prep work - heating hot dogs in the roaster, baking lasagna, etc.

If you have any questions, please contact Laura in the office 920.734.8218 **\*\*If we don't get somebody by this week, we will not be able to have a hot lunch program\*\***

### School Closings

Winter is upon us & with that comes school closures. CLS will close when severe weather strikes! In most cases, CLS will be closed if the Appleton Public Schools close for bad weather. However, we may be closed on days when the Appleton Public Schools chose to be open. To stay informed, you can check on Facebook ([www.facebook.com/celebrationlutheralschool](http://www.facebook.com/celebrationlutheralschool)), or watch the news on Channel 2 (WBAY), Channel 5 (WFRV), Channel 11 (WLUK) & Channel 26 (NBC 26) TV for announcements. School closing announcements occur typically between 6:30 and 8:00am and throughout the day when worsening conditions are expected.

**Note: on days when school is closed due to weather, before and after school care is not available. If school is delayed due to bad weather, there is no before school care.**

### Ski Club

One of our parents, Matt Hinz, is looking to start a school ski club for the 2021-2022 school year. This would be a great way to get students that know how to ski out with those who would like to learn.

Who: Suggested age is 4th grade or older but if parents want to include younger students, that will be their discretion. Parents are required to bring their child(ren) or carpool with other parents. Lessons are available for those learning, please see the email that Mrs. Pickering had sent out yesterday.

When: *Tentative Dates are:* January 6th, January 27th, February 15th, March 3rd

Student and parents would leave right after school, parents are responsible for their own student(s). Ski time is 5pm -9pm

Costs: There is a discounted group rate if we have 20 or more people going (students and parents). Information on pricing was in the email that Mrs. Pickering sent out.

Where: Nordic Mountain (about an hour away from the school) Mrs. Pickering is working with Nordic to get this set up so I will be asking to get RSVPs back from those who are interested ASAP.

Please email any question to Matt Hinz  
([matt\\_hinz@hotmail.com](mailto:matt_hinz@hotmail.com))

### Re-Enrollment

Re-enrollment will be early this year!!

For a variety of reasons, we will be doing re-enrollment for current families during December for the 2022-2023 school year. The fee of \$100 per student will not be charged until February 1, 2022. Responding by December 31, 2021 will guarantee your child's spot for next year. Beginning January 1, 2022 we will start to accept applications for potential new students. If you need to find out information about financial assistance please speak with Mrs. Ambroso. For questions on the School Choice voucher program, please speak with Mrs. Pickering.

Merry Christmas
