Hagar Painting for Auction

"In the darkest of nights cling to the assurance that God loves you, that he always has advice for you, a path that you can tread and a solution to your problem and you will experience that which you believe. God never disappoints anyone who places his trust in him." - Basilea Schlink. "Hagar" 11x14 stretched cotton canvas Oil and acrylic. While her name

might seem a little strange to you it actually comes from the Bible. This sweet girl is named after Hagar in the Old Testament. She was a woman who is going through great suffering and feeling dismissed and forgotten when God came to her and at that time she knew that even in her darkest hour God was still there, he still saw her.

Spring Musical - Holy Moses

The students of CLS are proud to present "Holy Moses!" April 28th and 29th at 6:00pm in the school gym/worship center!

Parents of 4K-3rd grade we would like your child to report to their classrooms between 5:45pm and 5:50pm.

4th & 5th grade please arrive by 5:30pm to hand out programs.

Middle school students please arrive by 5:30pm

We can't wait to share the story of Moses with you! A stream link will be available for family or friends unable to attend in person.

(Doors open at 5:30pm)

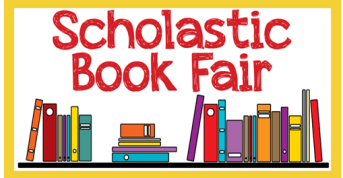

****All students 4K-8th grade are required to attend both nights****

Spring Book Fair

Spring Book Fair is Coming!!

Sunday, April 24th through Friday, April 29th

This is a great time to stock up on books for summer reading! The book fair is coming soon, and you can help make it a success! Volunteers are needed to help set-up, cashier, and pack-up the book fair which will take place Sunday, April 24th through Friday, April 29th.

The Scholastic Book Fair gives our school the opportunity to bring families, students,

teachers, and books together. Funds raised help support Celebration Lutheran School by buying furniture, books, and supplies for the classrooms. This year will be having a "guess how many game". If you would like to have your child guess how much candy is in the jar, we are asking for a gift of one dollar per guess. The funds from this, will go towards buying teachers books for the classrooms. We will also be doing a sucker pull to win a poster! With a gift of .50 cents, your child can pull a sucker for a chance to win a poster.

Please consider donating your time to help make this year's book fair a success. Call or text Bailey Huss at 920-915-7592 with any questions, or copy & paste the link below to sign up as well!

Artwork for the Gala!

**4K Preschool
Butterflies, Butterflies**

The children in 4K Preschool used butterflies as the theme for this piece of art. To begin our butterfly projects, we read Eric Carle's *The Very Hungry Caterpillar* for inspiration.

To make our butterflies, we painted aluminum foil with markers and sprayed it with water to color our paper. We also used pearlescent watercolor paint and then markers to decorate our butterflies and all the students helped paint the background.

Finally, a quote by K. D'Angelo was added:
"Butterflies are God's confetti,
thrown upon the Earth
in celebration of His love."

**Kindergarten & 1st grade
Flowers**

Kindergarten and 1st grade used Georgia O'Keeffe's large flower paintings as inspiration for this flower painting. We began this project with students learning about the life and artwork of O'Keeffe.

The students practiced drawing large flowers and two of the students' flower drawings were selected to create the image for the classroom piece. Then, the large image was gridded and divided into one piece for each student. Pearlescent watercolors and markers were used to color each piece and then the pieces were put back together to create this large flower piece.

Finally, the Bible verse was added reminding us of God's creation.
"He has made everything beautiful in its time."
Ecclesiastes 3:11

**2nd & 3rd grades
LOVE**

The students in 2nd and 3rd grades used glass to create this mosaic fused glass piece of art with the word LOVE as the theme.

Each student was given one section to design and make. The students were put into groups of two to create each letter and then they could design their own background. The top and bottom sections are filled with a design created by the assigned students. Then, the pieces were fired to fuse the glass.

The Bible verse was added to remind us all of God's immense LOVE for each of us.
"Love the Lord your God with all your heart and
With all your soul and with all your mind and
With all your strength." Mark 12:30

I-Spy X's & O's Quilt Handmade by Mrs. Ambroso

This very fun quilt features 120 different patterned fabrics, each themed to be a fun I Spy game with your little one. There is a huge assortment of novelty fabric, and no 2 pieces are the same. You'll see that I did 'fussy' cutting wherever possible so that each piece has an easily identifiable image.

In addition to the normal 'I Spy' game that can be played with this quilt, you can also encourage story-telling. For example, have the child start at the first block and make up a story as (s)he goes along. With this quilt, one story option would be:

We were eating hot dogs at the July 4th party that we had on our boat.you get the idea.

In this day of computerized everything, these quilts offer our children a wonderful time of communication.

This quilt measures 66" x 74". All fabrics are cotton, and the batting is polyester. It is recommended to wash on cold/delicate, low dry.

Artwork for the Gala!

"WE ARE ONE IN THE SPIRIT,
WE ARE ONE IN THE LORD."

Middle School Kiln-carved Glass "Quilt"

Middle School created a glass quilt for this art project. Using a new fused glass technique called kiln-carving, students created small Christian symbols with fiber paper. The shapes were designed, cut from fiber paper, glass was laid on top and then fired. Once fired, the fiber paper was removed to reveal the kiln-carved image. Finally, the pieces were put together to create a "quilt-like" image reminding us of the lyrics:

"We are one in the Spirit,
We are one in the Lord."

Middle School Wine Cork Heart & Cross

Middle School students collectively created this one-of-a-kind heart and cross.

Using unconventional materials—wine corks—students were divided into groups to create our image using a variety of repeated designs and patterns. Dyed corks were also used to create contrast and interest in the design.

This piece reminds us of God's love and sacrifice for each of us.

4th & 5th grades Fused Glass Cross

The students in the 4th & 5th grade class used glass to create this one-of-a-kind cross. Each student used a variety of glass shapes and colors to design and create a cross or heart. The glass squares were fired together to create this cross reminding us of God's love and sacrifice for each of us.

ALL School Glass Tile Cross

This year, ALL of the students at CLS created this unique piece using glass. Students in each class created small glass tiles—some classes had a different theme and some designed their own.

- 4K—butterflies
- K-1st—flowers
- 2nd-3rd—hearts
- 4th-8th—design your own

The tiles were then assembled to resemble a cross and fused. While each tile is simple, when put together they create this symbol of love for Jesus and unity of the students at CLS.
