We aim to make the work fun and educational with varying levels of assignments based on age. Please look for details from your teacher and let the teachers know if you have any questions.

Updated Student Spotlight

Happy November! I'm sure many of you noticed last year's student spotlight on the board outside the office. This year, we came up with a plan to have parents fill out some information about their children to make it more personal. Mrs. Moon will be sending out a blanket questionnaire to give some ideas.

You can include photos of family members, pets, action shots from sports, favorite vacations, etc. Be creative! We want to showcase as

many students as possible. If you have any questions, please contact Mrs. Moon directly.

Babysitting Night

Our annual babysitting night has returned! The event is offered by our Student Council as a way for parents to get some early Christmas shopping in or just a night out. Pizza will be provided for supper along with other snacks, and lots of fun activities!

The prices for babysitting night are \$20 for one child, and \$35 for two or more children. You can sign up through our [website form](#). Please let us know if there are any food allergies on the sign-up. We hope to see you there!
