For those families wishing to apply for need-based financial assistance for next year's tuition, the application is finally open. Please go to: <https://www.tads.com/>

Applications must be completed by April 30, 2023.

TADS will ask for documentation including taxes, pay stubs, etc. They may also ask for things like proof of loans and credit card debt. Once TADS makes their recommendation, the information will be reviewed and you may be asked for additional information. The School Board will have a Finance Committee confidentially review your application and will award financial assistance by the end of May. Past awards of assistance do not guarantee continued aid.
