### School Store

Our first school store is Sept 20th. Your student has the opportunity to earn points every day in class to spend at the school store. For example, in 4th and 5th grade, each student starts with 5 points every day. They can lose points or gain points depending on their attitude and actions. Each classroom handles points in their own way, but every student has at least

some points to spend at the store. Store items include small stuffed animals, Hot Wheels, balls,

puzzles, pens/pencils, fidget toys, candy – anything you can think of that students from 4K to 8th grade would enjoy. Some students spend their points every time the school store is open. Others save up their points for one of the larger items. If you would like to make a donation, bring it to the office and we will direct it to Mrs. Kolosso.
