Faith for Generations

Celebration School is celebrating with Faith Lutheran Church in it's 75th year. We are so thankful to walk alongside Faith Lutheran Church in this exciting adventure.

The Faith for Generations Campaign will enable us to undertake some much-needed renovations to the Celebration Ministry Center.

Our Projects:

- Roof repair
- Bathroom upgrades
- Renovation of the new classroom space

Our Ministry Goals:

- Reach children and family for Jesus
- Equip children to be the next Christian leaders
- Accommodate even MORE students in our safe and positive environment.

Fundraising goals:

- \$50,000

Celebration School is a ministry partner of the Faith Lutheran Church in Appleton. Faith has provided the space and home for CLS. Upgrading the facility will not only benefit Faith but the school and its families as well. Students have already participated in the Faith food drive for the food pantry. You will see many more opportunities to share in the celebration and progress of Faith's 75th Anniversary Campaign.

New Drop-off / Pick-up Route

Starting Tuesday, Jan. 16th we will be making changes to our Drop off and Pick up portions of the day. These changes are a long time coming and we are so excited to now be able to utilize our parking lot space to a higher capacity to ensure ultimate student safety for all. I've attached a graphic of our lot showing the two different flow patterns we are going to [start utilizing Tuesday, January 16th](#).

The **BLUE** arrows show the pattern flow for those opting to "drive thru" when dropping off or picking up their students. These vehicles will enter and exit using the Providence street entrance.

- Drop Off: Cars can drive under the overhang to drop off students beginning at 8:00am. Please make sure students do not exit your vehicle until a staff member is at the doors to allow them in.
- Pick up: Students will dismiss at 3:30pm to vehicles parked under the overhang. We ask that you do not exit your vehicle to ensure safety and keep the flow of traffic moving.

The **RED** arrows show the pattern flow for those opting to "walk in" when dropping off or picking up their students. These vehicles will enter and exit using the Evergreen drive entrance.

- Drop-off: Upon entering the parking lot, use the first lane and follow the marked arrows around to front parking stalls in the West lot (Indicated on graphic with small red arrows). After exiting the vehicle, please utilize the sidewalk (Red dotted path on graphic) to stay clear of actively moving traffic.
- Pick-up: Upon entering the parking lot, use the first lane and follow the marked arrows around to the front parking stalls in the West lot. You may then proceed into the school to collect your student in the vestibule area where all classes are gathered at 3:30pm.

Special Notes:

- Bus riders: The bus will park at the first crosswalk (in between the two sidewalks). These are the only students who will be allowed to walk out without an adult but will be monitored by the dismissal staff members.
