Happy 75th Anniversary

It was February 13th, 1949 that Faith Lutheran Church officially became a congregation of the Lutheran Church-Missouri Synod.

Help celebrate Faith's 75th Anniversary!!

To celebrate 75 years of ministry, Faith is holding one very special worship service on February 18, 2024 at 10 a.m. at the Lawrence University Chapel, where our entire Faith family can worship as one.

Part of that celebration includes a 75th Anniversary Campaign, an opportunity for us to come together to help prepare Faith for the next 75 years and beyond. If you would like to donate go to faithfoxvalley.org or contact Renee Pickering.

Free Tutoring available at CLS

Starting in the summer of 2023, CLS was approved to provide our students with tutoring conducted by our staff. The funding has been made possible through the Emergency Assistance for Non-Public Schools (EANS). This opportunity has continued during the school year, but with very limited availability.

CLS has just been approved to offer more tutoring hours through the remainder of the school year and for Summer 2024.

- This tutoring is **free of charge for families** and is a great opportunity for your children to get some extra help where needed.
- CLS is focusing on students in first grade or above.
- Teachers will continue to work with individual students as they have always done during the school day. Tutoring would be in addition to the one-on-one learning that happens within the classroom.
- Not all staff are participating in the tutoring program.

If you are interested in finding out more about this service, please contact Miss. Laura as soon as possible. She will try her best to work with your schedule and match an available tutor.
